DEATH WAS SUDDEN.

T. J. Blaine Passes Away at Home in City.

Thomas J. Blaine died rather suddenly yesterday morning at his home, Twelfth avenue, west. Mr. Blaine had been a sufferer from dropsy for some time and had been confined to his bed several weeks. The immediate cause of death was heart failure. He was 76 years old and is survived by his widow, a stepson and four daughters by a former marriage. The deceased was a member of the K. of P. Lodge and the interment will take place in Riverside Cemetery this morning with the honors of that order.

Funeral services will be held at his late residence at 9 o'clock this morning by Rev. M. A. Jenkins, pastor of the Baptist church, of which he was a member.

SEVENTEEN CONVERTS.

At the Baptist Tent on O'Neill Street.

The protracted meeting in the Baptist tent on O'Neill street will continue this week with Rev. Millard A. Jenkins doing the preaching. Evangelist J. W. Rose, who conducted the meeting for two weeks, has gone to Lafayette to hold a meeting, but the interest here was so great that Dr. Jenkins concluded to keep the meetings going another week himself, if the weather will permit.

Up to Sunday there had been 17 additions to the church, nearly all of them adults. There was no service held Sunday night at the tent, but 18 recent converts were baptized at the service held in the church. The meeting has been successful beyond expectations and large crowds have attended every night.

FOUNDERS' WEEK ODE.

Specially Written for the Big Philadelphia Celebration, by Frederick Phinney, Commemorating the City's 25th Birthday.

"Philadelphia Maneto," the new ode to the city, written especially for the Founders' Week celebration, was played for the first time last night. Prof. A. R. K. Brainerd, the organist at Cooper Memorial M. E. Church, played it there during the services last night. The new ode was written by Frederick Phinney, and was dedicated to the people of Philadelphia. He took his title from the motto on the seal of the city. "Philadelphia Maneto" means "let brotherly love continue," and such is the spirit of the song.

During Founders' Week the song will be everywhere in evidence. It will be especially featured every morning during the presentation of the musical-historical drama entitled "Philadelphia," and to be presented every day on Franklin Field, at the University. It is expected that it will be everywhere in evidence. It will be especially featured every morning during the presentation of the musical-historical drama entitled "Philadelphia," and to be presented every day on Franklin Field, at the University. It is expected that it will be everywhere in evidence.

will be taken up and become the one piece of patriotic music deemed particularly fitting upon all occasions during the week. It will be sung at all the churches as part of the various services which they will hold, and at all public gatherings where music is a feature.

It is being printed by the author, and will be widely distributed. The words are as follows:—

Philadelphia, thou art so fair,
Thou art the City of Brotherly Love;
Thy gates are open that all may share,
Life, light and happiness like that above.

—Evening Times.
Mr. Phinney will bring this famous organization to Hopkinsville, on Oct. 13, for matinee and night performance. The celebrated Phinney U. S. Band, with eight (8) Grand Opera singers. Popular prices will prevail, and we predict crowded houses for both performances. This will be the musical event of the entire season.

STANLEY SPEAKS TO BIG CROWD.

He Answered Wortham and Franks and Gets Much Applause.

HITS LAWLESSNESS.

Speech Reported in Full and Will Be Published in Its Entirety.

Congressman Stanley spoke yesterday at the Court House. He was introduced by Col. J. J. Henry and at once pitched into his opponent, John S. Wortham, who failed to be on hand for a joint discussion. He also paid his respects to E. T. Franks in vigorous style, after saying there was no difference between them in being opposed to lawlessness.

He declared that if the charge that he had incited lawlessness were true, he ought to be in prison instead of in Congress. He denounced the incendiary as a criminal of most despicable character, declared that the man who endorses and abets this lawlessness is worse than the ignorant and guilty wretch who wields the torch and declared that the trust magnate was worse still. Said he had denounced lawlessness with vigor, as the safety and prosperity of the people depended on the law. He spoke for nearly two hours and was cheered enthusiastically. His speech was taken down and will be published in full.

LIGHT SHOWERS.

Came as Relief to Drouth Stricken Section.

The long drouth was broken Sunday night by rain which began falling about 6:30 o'clock and continued nearly all night. It was not a heavy rain, but much good will result from the showers. Sunday was a very warm day, but the temperature dropped about 45 degrees by yesterday morning and heavy wraps and light overcoats were in order all day yesterday. Light frost was predicted for last night, but little damage could result from frost now, as about all the tobacco has been cut and gardens have long since become bare. The forecast for today is partly cloudy and cooler.

SUNDAY SHOOTING.

Sylvester Dickinson Wounded With Bird Shot.

Sylvester Dickinson was shot, it is said, by Stephen Meriwether, near the L. & N. trestle, one mile south of the city, Sunday. The parties are colored. About two weeks ago Meriwether was shot in the foot near the same point and it is claimed that he accused Dickinson of having shot him. Dickinson was wounded in the breast with small shot and his injuries are not considered serious. Meriwether was arrested by Marshal Jackson, of Pembroke, and brought to jail here.

UNIFORM RANK K. OF P.

Fall Festival and Carnival Oct. 5th to 10th.

It is now an absolute fact that the Great Cosmopolitan Shows are coming. They will pay us a visit for one week, beginning Oct. 5th to 10th. The executive committee of the Uniform Rank closed contracts some time ago. We have had carnivals, street fairs, gala weeks and numerous other attractions to entertain our people, but never have we had the opportunity to secure such an elaborate affair as the Great Cosmopolitan Shows, managed by that world-renowned showman, Mr. J. R. Anderson. Should you stop to consider in detail the magnitude of this elaborate affair you would hardly believe your own convictions.

Nevertheless it is universally known that the Great Cosmopolitan Shows has its own specific train of 36 cars, equal to a train of 40 ordinary cars. They have their own electric light plant sufficient to supply them with 1,000 lights. This plant was built especially for this world famed aggregation. The Great Cosmopolitan Shows were well named as it is the grandest and most elaborate cosmopolitan attractions from all climes and quarters of the globe. The lady and gentleman wild animal trainers being especially imported from Germany for this show. This will without a doubt will be the largest and grandest show of its kind ever held in Hopkinsville. Mr. Sidney Belmont, who has been looking after the interest of the show prior to its arrival has promised us a show never before equaled in the history of our city. The Uniform Rank are congratulating themselves upon securing so high grade an attraction. Let every one boost for the boys, so as to encourage them to mightier deeds of valor than those done at Lexington a short time ago. The shows will be held at Mercer Park for one solid week, from Monday, Oct. 5 to Saturday night, Oct. 10th.

Romeo, a thoroughbred Shetland pony, 3 years old, will be given to the most popular child up to 15 years of age. Other interesting and novel features will be announced later. Let everybody boost for the Uniform Rank K. of P. boys and make this a holiday success.

Powers Baptized.

Knoxville, Tenn., Sept. 27.—Caleb Powers, the Kentuckian, who served eight years in prison, in connection with the Goebel assassination case, was baptized tonight in the Baptist Church at Jellico, in the presence of 500 people. In reply to a query as to why he was baptized in Jellico he said that his grand father, grandmother, father and mother were born, lived and died there.

Beware of Ointments for Catarrh That Contain Mercury.

As mercury will surely destroy the sense of smell
and completely derange the whole system when
entering it through the mucous membrane. Such
articles should never be used except on prescription
from reputable physicians, as the damage they
will do is far too great to be paid for by the
temporary relief. Many Catarrhs are
caused by the use of J. C. Carter's Catarrh Cure,
which is a purely vegetable preparation, and is taken
internally, acting directly upon the blood and mucous
surfaces of the system. In buying J. C. Carter's
Cure be sure you get the genuine. It is taken
internally and made in Toledo, Ohio, by J. C. Carter.

Cry of the Lonely Woman.

To the woman who is a wife but
has not known motherhood, to her
who treads the path of life alone,
and to the mother whose arms are
bereft by the grim reaper of that
which she has deemed most precious,
there is a message in the experiences
of four foster-mothers as told in the
August Delinctor.

There are millions of these women,
millions of homes to which no child
has ever come, millions who have re-
mained unwed, who have alive with-
in them the maternal love that
yearns for its fulfillment. There are
thousands of homes that death has
left lonely, where the mother whose
arms are empty mourns her loss.

Yet within their reach is happi-
ness, happiness in the breadth and
depth of life told in every line of
these four stories.

"There is no life for a woman
without children," says one foster
mother. And contrasting the life of
the woman whose days are empty
and whose life is purposeless, who
grows old and weary and fretful for
the lack of something to fill out her
existence, with the depth and sin-
cerity and joy of these women who
have adopted motherhood as a pro-
fession, it would seem that she is
right.

County Unit Law Passed By
Indiana Legislature.

Indianapolis, Ind., Sept. 27.—County
unit is now a law in Indiana. The
Legislature yesterday passed the op-
tion bill by a vote of 65 to 45. Five
Democrats voted for it and four Re-
publicans against it. Intense excite-
ment prevailed while the vote was
being taken. The temperance forces
stormed the legislative halls and
won the day. Gov. Hanly, it is said,
will stump a county for a Democratic
Representative who voted for the
bill against the Republican nominee.

MACARONI IN ITALY.

To the Working People This Food Is a Luxury.

Every one pictures the Italian as eating macaroni. What if I tell you that the Italian, taking them as a people, do not eat macaroni, and yet this is virtually true. Macaroni in Italy costs 4 to 8 cents a pound, and it is so costly for common use. It is about as accurate to say that the Italian lives on macaroni as that the American lives on money. Macaroni to the working Italian is a luxury. You often see young fellows on a holiday indulging in a dish in a restaurant or before a street food stand about as Americans would eat ice cream. A customary workman's dinner is a hunk of bread broken apart and "buttered" with a few traces of tomato sauce. As for meat, it is the greatest rarity, and the only drink that can afford to water, which has the advantage of being cheap and filling. The Italian diet is not only temperate, but abstemious. Wine and beer and even tea, coffee and chocolate are forbidden to them on account of the expense. In Italy we saw no one under the influence of liquor. So also there is practically no smoking. The government has a monopoly of tobacco. Its business, buys its supplies in quantities direct in America and elsewhere and charges three prices for everything. The few traces of tomato sauce, a piece of smoldering tow tied at the doorstep, so that patrons and passers may light their cigars by it—Los Angeles Times.

WOMAN'S WIT UNCERTAIN.

As When This Wife Failed to Appreciate Hubby's Pleasantry.

"Don't always rely upon the ready wit of a woman," said the man who is sometimes found to consider himself an oracle. "That ready wit business sometimes proves to get way off. For example, my wife and children had been staying in the country for several weeks, and I was regular with my letters, as every loving husband should be. Finally on the day before my wife was to start for home I concluded my letter to her with these words:

"This will be the last letter I will write to you for a long, long time." "When I got down to my office the next morning I found a telegram from my wife waiting for me. 'What on earth do you mean?' read the dispatch. 'Later a registered letter came from her. She had blotted almost every line with tears. What it was all about I could not imagine. 'Then my telephone bell rang, and when I answered I heard my wife's voice speaking over the long distance phone. 'Oh, John' she said. 'Is that really you? I thought you had committed suicide!'—Washington Post.

Remedy For Choking.

"Raising the left arm as high as you can will relieve a choking much more rapidly than the act of thumping one's back," said a physician. "and it is well that every one should know it, for often a person gets choked while eating where there is no one near to thump him. Very frequently at meals and when they are at play children get choked while eating, and the customary manner of trying to get them to stop them sharply on the back. The effect of this is to set the obstruction free. The same thing can be brought about by raising the left arm of the child as high as possible, and the relief comes much more quickly. In happenings of this kind there should be no raising of the left arm of the older persons or parents get excited the effect is bad. The best thing is to tell the child to raise its left arm, and immediately the difficulty passes away."

The Popping Stone.

"The popping stone makes the spot where Sir Walter Scott asked Miss Carpenter to marry him. It is situated in the beautiful valley of the Irthing, at Clifton, an ancient watering place near Carlisle. The popping stone is visited by many thousands during the summer months, and it is said many a laggard lover has had his courage stirred up to popping point at this romantic spot. In the immediate neighborhood may also be seen "Mumps Inn," which Scott immortalized in "Guy Rannard." A little farther afield the Roman wall and Lanercost priory prove attractions to visitors to Glaisland—London Chronicle.

Hardships of the Very Poor.

Little Marion, having few real playmates, has supplied herself with several imaginary ones, with whom she has many surprising experiences. Her mother recently overheard her playing with her large family of dolls and entertaining a visionary caller. "Yes, Mrs. Staff," she said, "hearing a deep sigh, 'we are poor, terribly poor. We are so poor that I have to thank my ladies to keep them warm.'—Woman's Home Companion.

Costs Sometimes.

"There's no use talking about it—a throat disease is an expensive thing to have." "That depends. Mine never cost me anything." "What's your trouble?" "Kleptomania."—Cleveland Leader.

Do You Feel Chilly, Then Feverish and Ache all Over?

Feel Worn-out, Bled and Tired? Have You a Fresh Cold, With Frequent Hacking Cough? Sensation of Sourness in the Chest or Back?

Don't let your case run into bronchitis, or some other obstinate and dangerous malady. The very best medicine to take in such a case is Dr. Pierce's Golden Medical Discovery. Made without alcohol or dangerous drugs, it contains that rare combination of active medicinal roots that will play a powerful part in your system, restore the circulation, assist the appetite and digestion, and consequently restore tone to the entire system. That is the reason people look happy once more after taking it—they feel like living because their liver is active, the blood in their arteries is full of that life-giving quality—rich, red blood. The blood in turn feeds the nerves.

Nervousness and neuralsgia are only the indication that the nerves are not fed on invigorating blood. This "Medical Discovery" of Dr. Pierce is nature's own restorer. It tones up the organism and invigorates its functions, furnishing the body one of its necessary constituent principles of which it is in need. This preparation is of pleasant taste, agrees perfectly with rebellious and sensitive stomachs, and is extremely effective in restoring tone and vigor to the entire system. It cures troubles of the stomach and at the same time the blood-vessels are given such a toning up as to

throw off a cold. One very good reason why it restores the health of run-down pale and emaciated people is because it purges out the poisons through the liver and kidneys. It then begins its reconstructive work in building up flesh and making good, rich, red blood.

I have been a sufferer from indigestion for thirty years, at times "rueful" as S. W. Mulligan, of Cincinnati, Va., said, and have used codlins from several of our physicians, which gave me only a little temporary relief. They said I could never cure. Last winter I was stricken with the worst spell that I ever had. I suffered with such severe pains in the pit of my stomach that I could neither eat nor sleep, and my weight went down from one hundred and thirty pounds in about two months' time. I then concluded that I would try Doctor Pierce's Golden Medical Discovery. By the time the bottle was gone I felt some relief from my severe suffering so continued until I had used four bottles of "Golden Medical Discovery." I am truly thankful for the great benefit which I have received from your medicine, and can cordially recommend it to others.

It Stands Alone not only in respect to its ingredients, but also as the only medicine for stomach, liver and blood disorders, which absolutely contains PURELY VEGETABLE AND PERFECTLY HARMLESS INGREDIENTS. WRITE TO ALCOHOL.

It Stands Alone as the best of all medicines for the blood. It cleanses the system, restores the circulation, and tells them exactly what they are taking. This Dr. Pierce's "Medical Discovery" is made of such that has thousands of cures to its credit, placing its merits above criticism.

It Stands Alone as a cure for many cases and its ingredients are of Goldenseal root, Queen's root, Stone root, Black Cherry bark, Bloodroot, Mandarilla root, and chemically pure glycerine.

Remember, these are the ingredients of Dr. Pierce's Little Liver Pills. First put up by Dr. H. V. Pierce, over 40 years ago, and although much imitated, have never been equaled. Made of concentrated and refined medicinal principles, extracted from native American plants and roots, directions pure vegetable and perfectly harmless. One bottle for a stomachic, or stomach and bowels regulation, three times granules for a cathartic.

No peace for the kidney sufferer—Pain and distress from morn to night.

Get up with a lame back, Twinge of backache bother you all day.

Dull aching breaks your rest at night.

Urinary disorders add to your misery.

Get at the cause—cure the kidneys. Doan's Kidney Pills will work the cure.

They're for the kidneys only—

W. G. Dodd, Farmer, Cadiz, Ky., says: "My kidney trouble was brought on by a fall and I suffered from the complaint for over eight years. There were severe pains in the small of my back and if I attempted to stoop or lift, sharp twinges would dart through my body. I could not sleep well at night on account of the aching in my back and during the day was easily tired. My eyesight was blurred. I suffered from dizzy spells and also had headaches. Occasionally my kidneys would become disordered and at such times the secretions would be free in action. For three or four weeks prior to using Doan's Kidney Pills, I had been unable to do any work. After taking a few doses of this remedy I was able to go to work and I am happy to state that I have not lost any time account of kidney troubles since."

With slight modification the boy's criticism in his essay on the horse might be applied to the motor-omnibus—namely, that "the horse is a noble animal, but he does not always do so." A President of the United States

will be elected this year. Who is he

what you hope, but it will tell you

what is. The Thrice-A-Week World

long ago established a character for

impartiality and fearlessness in the

publication of news, and this it will

maintain. If you want the news as

it really is, subscribe to the Thrice-A-
